

New myQ
Video Keypad

Visibility to your real front door

The myQ Video Keypad allows homeowners to monitor and control access to the busiest door of their home. Innovative features give users peace of mind that they know who is coming and going from their home — and when.

83% of US homes have attached garages which for many is the main entry point to the home:

- Homeowners: 70%
- Friends and family: 35%
- Service providers: 29%

Personalized Access

Create unique PIN codes and schedule access for family, guests, and service providers.

Visual Confirmation

Live stream HD video. Record and store footage for up to 30 days with a myQ® Video Storage Plan.

Meaningful Notifications

Receive real-time notifications and view history of when your garage has been accessed.

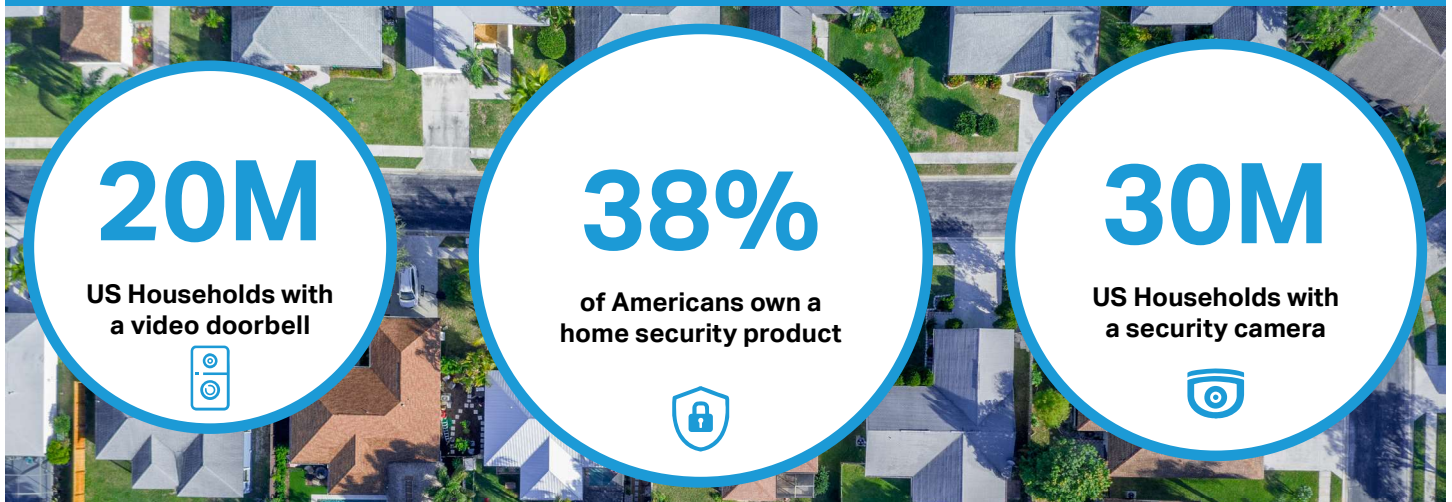

Easy Installation

Wireless setup with rechargeable battery and integrated Bluetooth® for fast Wi-Fi® provisioning.

Are you delivering the Smart Home Accessories homeowners are looking for?

Homeowners want smart homes

Homeowners are willing to pay significant multiples for smart home accessories compared to traditional home products

	 Doorbell	 Thermostat	 Lock
Smart Accessory:	\$150	\$200	\$220
Traditional Product:	\$17	\$20	\$50
Price Multiple:	9x	10x	4x

How you benefit from selling myQ Video Keypad

Differentiation

Be the first to offer a video keypad for the garage.

Easy Sell

Homeowners want to see who is approaching their home.

Provide Peace Of Mind

The Video Keypad is more than a traditional piece of hardware – you are giving your customers peace of mind knowing that their home and loved ones are safe.

Easy Installation

Wireless installation makes video keypads as quick to mount as traditional keypads. Integrated Bluetooth enables fast Wi-Fi provisioning.
